Gentle Baby™ is a soft, fragrant combination of essential oils designed specifically for mothers and babies. It helps calm emotions during pregnancy and is useful for quieting troubled little ones. It is also soothing to tender skin. Many of the essential oils in this blend are used in elite cosmetics to enhance a youthful appearance.

How to use: For aromatic use. Diffuse or apply on mother's abdomen, feet, lower back, face, and neck areas. Dilute with V-6™ Enhanced Vegetable Oil Complex for full body massage and for applying on baby's skin.

Possible skin sensitivity. If pregnant or under a doctor's care, consult your physician. Dilution not required; suitable for all but the most sensitive skin. Generally safe for children over 2 years of age.
