

GERANIUM - 15 ML

Geranium (*Pelargonium graveolens*) has a wonderfully uplifting, calming, flowery scent. It is excellent for the skin, and its aromatic influence helps release negative memories. Used traditionally to support the circulatory and nervous systems, a great deal of its strength lies in its ability to revitalize body tissues.* Geranium has an approximate ORAC of 1,010,011 (TE/L). TE/L is expressed as micromole Trolox equivalent per liter.

How to use: For dietary, aromatic or topical use. When using as a supplement, dilute one drop in 4 drops of vegetable oil and put into capsule. Then take one capsule before each meal or as desired. Possible skin sensitivity. If pregnant or under a doctor's care, consult your physician. Dilution recommended for both topical and internal use. Dilute before using on sensitive areas such as the face, neck, genital area, etc. Keep out of reach of children. Avoid using on infants and very small children.
