

PALO SANTO - 5 ML

Palo santo (*Bursera graveolens*) comes from the same botanical family (Burseraceae) as frankincense, although it is found in South America rather than the Middle East. Like frankincense, palo santo is known as a spiritual oil, traditionally used by the Incas to purify and cleanse the spirit from negative energies. Even its Spanish name reflects how highly this oil is regarded: Palo santo means "holy wood" or "sacred wood."

How to use: For topical use, apply 1-2 drops on affected area. For aromatic use, inhale directly as needed or diffuse/humidify for 10-15 minutes daily. Keep in a cool, dark place.

Caution: Possible skin sensitivity. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician.
